FACE

LUXURY CAVIAR TREATMENT (60min)

€ 90,00

GLOBAL ANTI-AGING | LIFTING | PLUMPING | REVITALIZING

"Precious" treatment based on Caviar, Algae and Phytosqualene, with organic anti-aging. Particularly suitable for mature skin, it develops a series of synergistic actions: it regenerates and revitalizes skin tissues, stimulates cellular metabolism, deeply moisturizes, soothes and protects by reducing irritation, erythema and localized swelling.

Recommended frequency: for intensive therapy, twice a week, for a period of 3-4 weeks.

Or once a week, for 1 month.

PURESENSE (40min)

€ 55,00

PURIFYING | MATTIFYING | ANTI-IMPERFECTIONS

It regulates the production of sebum, soothes irritated or reddened areas from acne manifestations, smoothes the skin and promotes cell renewal, uniforming and perfecting the complexion.

Recommended frequency: 2 times a week for a total of 5 sessions. It is recommended as a preliminary session against imperfections in the cycles of anti-wrinkle, anti-aging, illuminating or anti-blemish treatments.

FACE

DNA VEIL (60min)**€ 50,00**

CORRECTIVE FIRST WRINKLES | REPAIRING | REVITALIZING

The synergy of elastin and marine DNA provides the skin with a vitality starter and accelerates tissue repair, helping to drastically reduce the signs of aging and firming the relaxed contours of the face.

Recommended frequency: once weekly for 5 weeks.

RECREAGE (50min)**€ 60,00**

ANTIAGING | REGENERATING | ILLUMINATING

The innovative ultra-perfecting facial treatment that uses the regenerating power of alpha-hydroxy acids and the most advanced epigenetic technology (RNAge™) to transform the overall appearance of the skin, helping it to regain its ideal radiance.

Recommended frequency: 1 session per week for 4 weeks.

MATRICOL RESTORE (55min)**€ 80,00**

ANTIAGING

The anti-aging treatment par excellence based on 61.1% collagen biomatrix in pure and concentrated form. In addition to the exceptional moisturizing properties, Marine Collagen gives the skin tone and freshness, erasing the signs of aging in an immediate and visible way.

Recommended frequency: 1 session per week for 4 weeks.
