## BODY

**WHITE MUD TREATMENT (60MIN)****€ 60,00**

REDUCING | REMODELING | ANTI-CELLULITE

Specific shock treatment for the "remise en forme" and a toned and reshaped silhouette. The manual joint release, combined with the specific massage, revitalize biological processes, stimulate microcirculation and fight cellulite, even the most stubborn, restoring greater firmness and a smooth texture to the skin.

Suggested frequency: at least once a week, for 3 - 4.

**LINFA FANGO CELL (60min)****€ 70,00**

SLIMMING | REMODELING | RECOMPACTING

The star ingredient of the treatment is the innovative Lipout™, derived from the extract of Tisochrys Lutea, a unicellular alga that stimulates the thermogenesis of adipocytes. In synergy with ginger extract, this alga is able to promote the elimination of fluid stagnation in the tissues, improving circulation, also induces a significant toning of the skin.

Suggested frequency: at least once a week, for 3 - 4.

**BODY**

**KRIOPLAST (45min)**

**€ 45,00**

FLAT AND DEFLATED ABDOMEN

The natural solution for a flat and toned belly. From the first session, the abdomen deflates and recovers firmness and tonus.

Suggested frequency: 2 times a week, for 3 weeks.

**SCULPTING MOULD (45min)**

**€ 45,00**

TONING | RECOMPACTING | PUSH UP EFFECT

Thermo-active cast based on 100% calcium sulphate that counteracts sagging skin and reshapes shapes. The heat promotes the oxygenation of the tissues and therefore a toning of the treated part. The cast helps to recompact the tissues, giving an immediate tensor effect.

Suggested frequency: at least 1 time per week, for 3 - 4 weeks.

**ULTRA - SHOCK BANDAGES (55min)**

**€ 70,00**

DRAINING | LIPOREDUCING | RECOMPACTING

Specific for the intensive treatment of cellulite, water retention, fat, sagging and atony of the whole body or specific areas, such as: buttocks, abdomen, legs and arms.

Extraordinary and visible results from the first applications.

Suggested frequency: at least 2 time per week, for 3 - 4 weeks.
